May 14, 2002 Big day for the day...Mistress Nina was being fitted for her wedding dress for the wedding. I guess this brings the RC family up to date! In this gallery you can see pics from the first day of the Cupid's holiday trip to Vegas. Please enjoy. Mistress Nina's JH Video Library - Teaser 1. Mistress Nina doesn't lie down for cum. She stays on her knees and eats it up. The story: Mistress Nina and Jerry just got out of their car and are exhausted after a hard day of sight seeing. They decide to take a hot shower together. Nina's got a very sexy body, she's been working out and she's in a semi-low cut bathing suit. When they get into the shower they just start to make out and get hot and heavy. After a while Jerry gets out of the shower and starts feeling Nina up. Then she turns and they start kissing. Soon, Nina's top is off and Jerry starts feeling her firm tits, while her top is getting wet from all the water. Next, he begins sucking her nipples while she plays with her clit. Soon he's got her wet and he goes in for a great blowjob. She grabs him by the hair and pulls him up to the shower wall and then slams his cock down her throat. He shoves his dick in deep, all the way down her throat. She starts gagging but she doesn't get the feeling of his big dick deep inside her, not yet. She looks up at him with her big blue eyes and he says "You are so hot." She replies "Am I?" Then she starts screaming "Fuck me" and that's just what he does. She gets so wet she doesn't need a towel for her pussy, it's dripping. He starts fucking her in the hot shower. He fucks her good and hard and she starts moaning so loud that all the water can hear it. He pulls out and starts cumming on her stomach, she then turns and gets on her knees and slurps up his hot cum. Great oral! Mistress Nina's JH Video Library - Teaser 2.
