The movie was based on the book The Ultimate Adventure, by author Al Switzler. The movie was aired in the United States by the PBS documentary series POV in 1997, and was later shown in the United States by the Sundance Channel. Background The original script, called "The Ultimate Adventure", was written by David (Dave) Lyn and Richard P. Haenel, and was produced by Christopher R. Murphy. The screenplay was set in a location near Phoenix, Arizona, with the film crew moving between the location and a home where Chris McCandless lived in the winter of 1992. The film was based on The Ultimate Adventure, by Al Switzler, a book that chronicled the life and death of the young man that had traveled to Alaska. Cast Luke Neal - as Christopher McCandless Valerie Boulay - as Polly Robert Mihail - as Buzzy Bee Anaïs Delépine - as April Gerard Kergnon - as Valery Reception The film won the Sundance Grand Jury Prize for Dramatic Documentary. It also received a number of awards at the Cleveland International Film Festival, including Best Feature Film, Best Documentary Film, and Best Actress. However, I can't seem to get the XML into a usable format. Here is my code: $xml = simplexml_load_file($path); $xml->registerXPathNamespace('api', ''); $xml->registerXPathNamespace('xsd', ''); $xml->registerXPathNamespace('xsi', ''); $xml->registerXPathNamespace('xsd', ''); $project = $xml->xpath('/xapi:Project/xapi:Projects/xapi:Project/xapi:Project/xapi:Id'); $project = $xml->xpath('/xapi:Project/xapi:Projects/xapi:Project/xapi:Project/xapi:Id'); echo $xml; This outputs the following to the screen: 2d92ce491b
