The servers of FIFA 20 are offline for some days for the first update.Event Details We are glad to inform you that our next event will be held on Sunday, November 11, 2019, 10:00am-2:00pm, at the campus of the West University in San Juan. The aim of this event is to update you on the initiatives carried out by the University of La Rioja and by its different academic units during the fall semester. The different technical and administrative units will present the results of their activities and their work during the fall semester. We hope to hear your comments and suggestions.THOUSANDS of students who were caught out by a delay in access to their Results Day marks will be in line for an apology from the exam board which carried out the SATs. And the move by the education watchdog has prompted Eton College to threaten to pull out of the national exam system unless the assessment body revises its timetable. The School Examinations and Assessment Authority (Sema) apologised on Twitter to students who were affected by the technical issue, which meant they were not able to access their results after school hours. The problem was caused by an IT issue during the end of the day when the systems went down. Thousands of students had been anxiously waiting for their results during the night and morning, as the deadline loomed.
