Looking for some great adventures? Any way you live your life, you need some good games to entertain you. Do you have PC games? Maybe you have a console. It's easy to fire up Steam and get a few good games from there, or maybe you just have a Google Play game to play. But what if you want more? In this article we'll go over some great PC games you can play right now. Why? You heard the internet, it's a wonderful place. Of course, there are good reasons people like going to this incredible place, but most importantly, there are some great games out there. Whether you just want something to kill a few hours, or you're looking for the next big game to play, we've got you covered. We'll go over some of the top PC games currently available on Steam, PlayStation Network, and Xbox Live. You'll find yourself wondering 'what's out there?' The articles will help you find out. The top 10 PC games right now Last year we asked you about the best PC games of all time. The results were... interesting, to say the least. There was a lot of argument about what the best game was (it was a really close one). However, a number of you weren't sure what to think about PC games in general. The comments were all over the place and many of them were a bit negative, so we thought it would be better to revisit the topic and allow the people to actually decide what they thought was the top PC game of all time. In the end, our choices weren't the most popular, but you can see that Civilization was the most popular choice, followed by the Doom and Quake games. If we'd been able to listen to our readers, you'd see that we'd put Star Wars: Knights of the Old Republic at number one. It was clear that many of you enjoyed the previous game, and wanted to see what happened next. If that's you, we've got the best games to play right now. From latest PC games to classic PC games, we've got something for everybody. Now let's go over some of the best PC games currently available, from shoot-em-up games to RPGs. These are some of the top PC games of 2015, but if you haven't seen them yet, make sure you check out the links at the bottom of the page 3e33713323
