**Fifa 22 Features Key:**

- Exotic player cards invite you to build your squad, and with an all-new update style, look and feel, it's even more immersive than ever.
- FIFA 22 delivers a blockbuster game presentation powered by high-fidelity environments, complete with crowd reactions, and additional celebrations for some match venues.
- Authentic sounds, authentic atmosphere and a huge variety of authentic and licensed atmospheres bring the match to life.
- The FIFA video player, delivered with FIFA 22, offers fluid, high-definition gameplay and features that make it a must-have companion for players looking to catch every emotion of the game
- Evolution: A deeper and richer gameplay experience via improved AI, improved player motions, real ball physics, and all new animations, from passing to dribbling to shooting.
- Adaptive Difficulty and Online/Offline modes, which change depending on the difficulty of the match. Higher difficulty increases the speed of the ball and the types of defenders are more aggressive, while short passing game or a low-difficulty offline match never presents those challenges.
- Enhanced Be a Pro, which - with the introduction of a 3D Pro mode-enables you to experience more diverse match-ups in single or multiplayer.
- FIFA Ultimate Team for FIFA 22: A deep and rewarding single player mode. With over 300 cards, including new player cards based on your favorite new and existing Ultimate Team players, plus the latest Ultimate Team packs, your Ultimate Team will never be the same.
- Videogame Centre: A host of new tools and menus allowing even more control over the playing experience, including the ability to fine-tune the overall speed of gameplay. Videogame Centre also makes it easier to make field settings, view the state of the stadium, adjust the seating in virtual stadiums and show multiple camera angles at once.
