Soccer Aid 1 week ago I mean, it's not really a realistic idea. But let's be honest, if you are going to start getting the money and the goals of the football league then it's time to start making this happen. But hey we can always dream right? Here it is, the new name for the Cleveland Browns - the Ohio Gladiators. Sorry to the other Browns fans, but we can't let history repeat itself, that just wouldn't be right. But this whole thing makes me wonder, how would people react if the Dallas Cowboys changed their name to the Arizona Cardinals, or something like that? People would probably bc9d6d5daa

What's new in Fifa 22:

- **Career Mode - Live out your dreams as both a manager and a player in FIFA 22. Create the newest club in FIFA, design your kits, style your stadium, and choose whether to compete with the elite or rise up from the lower divisions as you manage your club to glory. Or test your skills as a player, with a more immersive Player Career mode that gives you more ways to progress, achieve, and immerse yourself in your Pro's journey through the game.**
- **Ultimate Team - Kick, Pass, Win - log in daily to earn bonus rewards including coins, kits and player pieces. Or qualify for free cash and prize crates just by playing Ultimate Team.**
- **New Player Ratings - Make your team global stars with improved Player Ratings. Take on the opposition with increased physical and technical attributes, perfect for creating the best team possible in both offline and online games.**
- **Improved dribbling - Take on the opposition like never before. Dribbling is easier to pull off and more rewarding. New Techniques, such as swerve, allows you to take shots on goal even when under pressure. Also bring your teammates into the game with the new Scan for Play. Uses your FIFA license to locate the opposition and pass them through on the game's quickest pass.**
- **AI improvements - The AI also receives improvements. New tactics like Narrowed Passing Tactic help teammates pass, while the new Set Piece Gen looks to dominate the opposition during penalties and other set-pieces.**
- **Dynamic Defending - Dynamic Defending allows intelligent teammates to come to defend as soon as a pass occurs within the defending player's zone. This is now even displayed during the claiming motion. The defender will come back once the pass is made, but the distance from the pass to the defender will go down.**
- **New Authentic Kit - 25 new authentic kits, including Juventus, Bayern and so on.**
- **New feints - Quicker feints, including post and cross feints.**
- **New player actions - More player actions, will be added at a later date.**
- **New Game Changers - Choose the way your game starts up.**
- **New player fatigue system - Players age and suffer injuries during the course of matches. Coaches must take players out and insert new members to make sure their team has the greatest chance to**
